CERTIFIED TRANSLATORS & INTERPRETERS

A professional assistance service to English speakers living in France

TRANSLATION

We are **certified translators and interpreters** (traducteurs-interprètes assermentés), which means that we can translate all your official documents.

We are a French/English team, so our translations are accurate and natural.

FRENCH TUITION

With emphasis on participation and conversation, the courses will help you to gain confidence in all aspects of communication whilst improving your understanding of the French way of life.

Our courses cater for all abilities and requirements from beginners to the more advanced. Tuition is based upon intensive teaching for individuals or small groups. **Absolute Beginners Welcome!**

ASSISTANCE

We deal with a wide variety of issues, ranging from accompanying our clients to various appointments to drawing up plans and filling in forms for building permits or registering clients for French health cover.

We can also investigate tax situation and other residency issues. We provide an onsite interpretation service during appointments with notaries, lawyers, architects etc.

WEBSITES

We offer a comprehensive website design service (in English and/or French), from straightforward brochure sites to complex interactive websites (including your domain name, webhosting and associated POP3 email accounts).
